Total:			\$	\$	\$	

Compare the entries in Columns 5 for each school to the figure in Column 5B of the non-Title I Schools or Comparison Group schools respectively. If an entry in Column 5 is less than an entry in Column 5B, adjustments in either staff assignments OR enrollment must be made in attendance centers which are not comparable. See instructions for additional flexibility.

**Directions for Completing the Detailed School Data Worksheet
Comparability Report, Step 2c
Comparison of State and Local Expenditures Per Pupil**

Complete this report for each group of schools having similar enrollment sizes and similar grade spans. This option is typically only used when compliance can not be demonstrated using Step 2a – comparing Student/Teacher FTE ratios.

TITLE I SCHOOLS:

This worksheet checks comparability based on Per Pupil State and Local Expenditures.

Column 1 Enter the name of each Title I school.

Column 2 Indicate the actual grade span of each Title I school.

Column 3 Record the actual enrollment in each school from the Building Level Worksheet, Part A.

Column 4 Enter the total state and local expenditures for each school. Enter to the nearest dollar.

Column 5 Divide column 4 by column 3. Express result to the nearest cent.
